PASTOR

Dear Parent,

In answer to your inquiry, you will find enclosed the basic forms and information necessary for enrollment into Mountain Park Baptist Boarding Academy.

Brother Gerhardt and I take this opportunity to commend you for diligently searching out every option for your child. You have probably learned that your options are very few, expensive, and inadequate.

A structured, controlled, Christian environment offers your student opportunities to clear their heart and mind of pressures placed upon them by unacceptable peers while concentrating on family and educational priorities.

We will be looking forward to your next contact.

For teens,

Bob Wills
